PROVISIONAL CMR – COVER

**WCPFC9-2012-07
2 October 2012**

Paragraph 208 of the TCC8 Summary Report states: “**TCC8 agreed to the Executive Summary for the Provisional CMR and recommended that the Provisional CMR be forwarded to WCPFC9 for consideration.**”

In accordance with CMM 2011-06, WCPFC9 is invited to:

- consider the Provisional Report recommended by TCC8 (executive summary and two annexes), which is provided to Members through the secure Member section of the WCPFC website (<http://www.wcpfc.int/ccm/CMR-2012>) (para 17);
- take into account any additional advice or information relating to the Provisional Report from CCMs, including any steps taken to address identified compliance issues (para 18);
- adopt a **final Compliance Monitoring Report** that includes a Compliance Status for each CCM and recommendations for any corrective action needed, based on non-compliance identified with respect to that CCM. The final Compliance Monitoring Report shall also contain an executive summary setting out any recommendations or observations from the Commission regarding the issues listed in paragraph 15 of this measure.¹ (para 19-20)
- note that the final Compliance Monitoring Report shall constitute public domain data. (para 6); and
- note that each CCM is to include, in its Part 2 Annual Report 2013, any actions it has taken to address any compliance or implementation issues identified in the final compliance Monitoring report. (para 21)

¹ Paragraph 15 of CMM 2011-06 states: “ 15. The Provisional Report will also include an executive summary including recommendations or observations from TCC regarding: (i) amendments or improvements to existing CMMs to address implementation or compliance difficulties experienced by CCMs, (ii) capacity building requirements or other obstacles to implementation identified by CCMs, in particular small island developing State Members and Participating Territories, and (iii) additional priority obligations that should be reviewed under the Scheme pursuant to paragraph 4 of this measure.
