

## **WCPFC Labour Standards 2023 Workplan post WCPFC19**

### **Background**

In December 2020 the Commission agreed that intersessional work to improve crew labour standards be led by Co-Chairs Indonesia and New Zealand. Work has been ongoing since February 2021 with several rounds of email feedback and virtual workshops. A workplan to adopt a CMM in 2023 is below.

### **Work Plan**

- End of March – co-chairs will distribute a new draft CMM and seek members feedback by email.
- End of April – CCMs submit feedback on revised draft CMM.
- End of May 2023 - co-chairs will distribute the revised draft CMM to IWG members, minimum of one month ahead of virtual IWG meeting in June.
- Second half of June 2023 - Virtual IWG meeting
  - Half day.
  - Meeting will focus on draft CMM and detailed review of text.
- Mid-August – co-chairs submit a revised draft CMM based on June WG meeting

### *TCC*

- Half-day meeting prior to TCC HODs session to discuss draft CMM text and continue development of text and discuss outstanding issues.
- TCC to consider the draft CMM.

### *WCPFC20*

- Continue working with CCMs on CMM.
- CMM adopted.
