Dear Mr Wright,

I am writing to provide details of the outcomes of certain discussions between FFA member country representatives at a workshop held in Honiara in October 2005.

The workshop included extensive discussion on potential draft resolutions relating to ecosystem and by-catch issues.

Representatives at the workshop endorsed a proposal from the FFA Secretariat that these draft resolutions be provided to the Commission Secretariat as draft *non status* resolutions for circulation to other Commission members to inform debate on these important matters at the second meeting of the Commission, to be held in December 2005.

I would therefore be grateful if you could circulate the draft *non status* resolutions for the consideration of Commission members under cover of this letter. The Forum Fisheries Committee will meet prior to the second meeting of the Commission to formally consider these draft *non status* resolutions.

Yours sincerely,

Steve Dunn
