

# Further work:

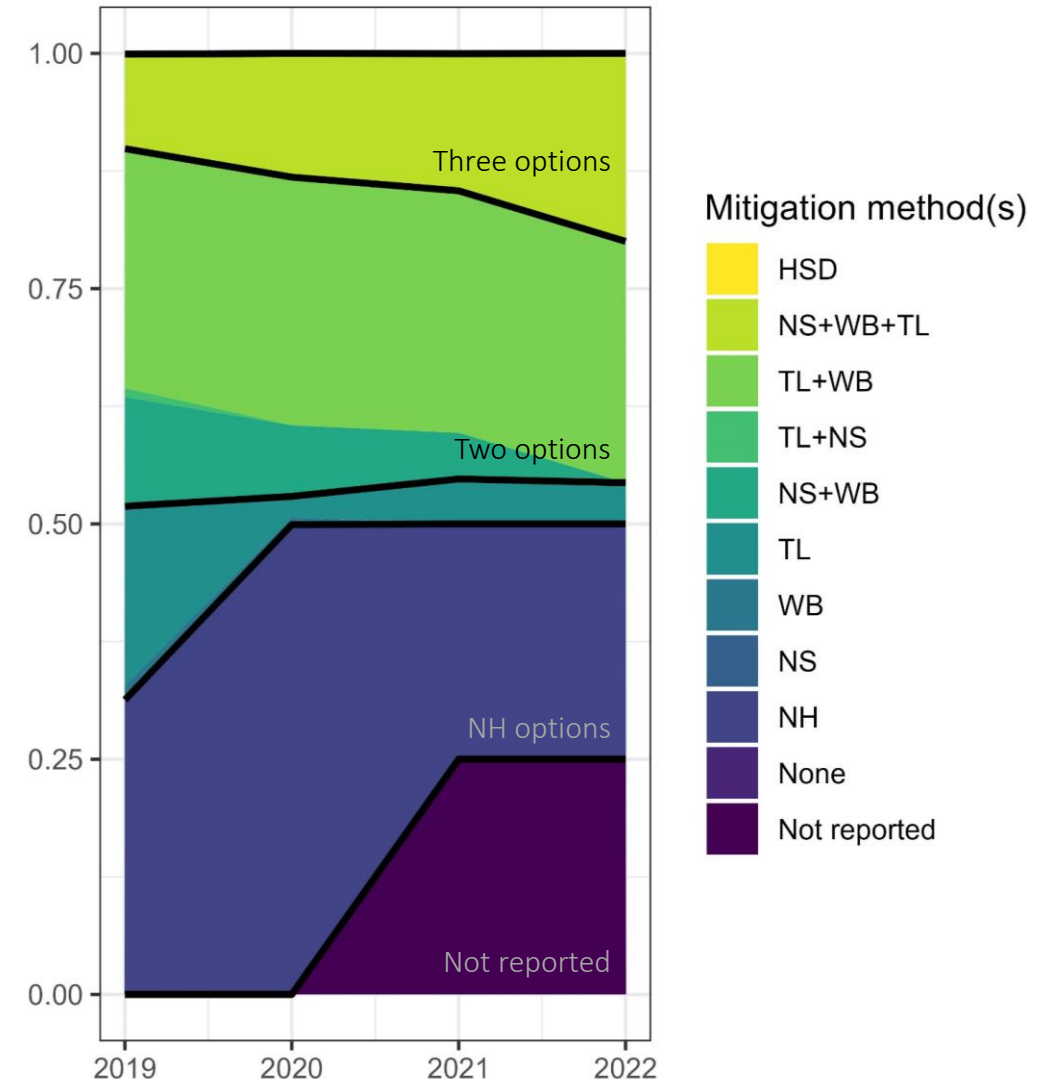

Data requests to SPC and suggestions for submissions to SC20 and TCC20

# Data requests to SPC to provide further insights for the review of CMM 2018-03

- Fishing effort (in 1000s hooks) per CCM, per year (2019-23), per seabird-mitigation relevant latitudinal band to evaluate mitigation use over time, weighted by effort

**Discussion prompt:** Do you have any other data requests for SPC relevant for the review of CMM 2018-03?

Work to be submitted to SC20 and TCC20 relevant  
to the review of WCPFC CMM 2018-03

**Discussion prompt:**

Are planning to submit any work relevant  
to the review of CMM 2018-03 to SC20 and TCC20?
