**WCPFC-TCC4-2008/26**  
**8 September 2008**

**Paper prepared by the Secretariat**

**Introduction**

1. The Third Regular Session of the Commission (WCPFC3) held at Apia, Samoa from 11-15 December 2006 endorsed a recommendation from the Second Regular Session of the Technical and Compliance Committee (TCC2) that the revised template for Part 2 of the Annual Report (Attachment K of the WCPFC3 Summary Report) be adopted for future reports. The Fourth Regular Session of the Commission (WCPFC4) held at Guam, USA from 2-7 December 2007 endorsed a recommendation from the Third Regular Session of the Technical and Compliance Committee (TCC3) relating to a modification of the template for Part 2 of the Annual Report to incorporate boarding and inspection reporting requirements (Attachment G, Annex 4 of the TCC3 Summary Report).

**Proposed revised template for the Annual Report (Part 2)**

2. Paragraph 7 of WCPFC Circular #2008/03 dated 18 February 2008 proposed that CCMs use a new reporting template as Part 2 of the Annual Report, based on a template developed by the WCPFC Secretariat in 2007 and used by some, but not all, CCMs for their Part 2 of the Annual Report covering the period 1 January - 31 December 2006 (**Attachment A**). The Secretariat has received no objections from CCMs to this proposal.

**Conclusion**

3. The TCC is invited to formally endorse the revised template for the Annual Report (Part 2).
