Subject: FAC20 and WCPFC23 Meeting Dates – Pending Confirmation

Dear All,

CCMs and Observers will note that the 90-day deadline for formal notification of the dates of the 20th Session of the Finance and Administration Committee (FAC20) and the 23rd Regular Session of the Commission (WCPFC23) is due. However, confirmation of the meeting dates and associated schedule is currently pending the outcome of the proposal circulated under Circular No. 2026/79 concerning the proposed special session of the Scientific Committee, which if confirmed will impact the schedule for FAC20 and WCPFC23 in Port Vila, Vanuatu.

Once the Secretariat has confirmation of the final meeting dates, a formal meeting notice will be circulated to all CCMs and Observers. The notice will include the confirmed schedule and relevant logistical and meeting information.

Yours sincerely,

Rhea Moss-Christian
