09:00 – 11:00 and 14:00-16:00 (Pohnpei time)

18 November 2026 | Online Meeting

Survey for CCM National Fisheries Agencies and Processing Companies

CRDW-2026-01

23 October 2026

ANNEX 1 – Survey for CCM National Fisheries Agencies

QUESTIONS FOR PURSE SEINE FLAG-CCM SCIENTISTS (REQUESTED PRIOR TO THE WORKSHOP)	
1. Can cannery data be accessed for your national purse seine fleet through 1.1. relevant canneries, and/or 1.2. fishing companies managing your national purse seine fleet ?	
2. Does your scientific staff have the capacity to analyse cannery data to generate estimates of species composition for your purse seine fleet?	
3. If you do not currently have the capacity, would you be open to training to develop/support the necessary capacity?	
4. Do you have the time/resources to conduct the analyses?	

ANNEX 2 – Survey for relevant Processing Companies

QUESTIONS FOR WCPFC MEMBERS WITH CANNERIES (REQUESTED PRIOR TO THE MEETING):	
1. Please list the canneries in your country receiving WCPFC purse seine catch, and if possible, the following information for the most recent year possible a. Are you an ISSF-affiliated company? b. An estimate of the total annual volume of WCPFC catch received, if known; c. Estimate of annual/monthly throughput; d. Description of your species and size categories breakdowns; e. What are the descriptions of categories where tuna are not separated/sorted (i.e. mixed) by species?	
2. If you are currently unable to provide this information, please describe any obstacles.
