

TENTH REGIONAL OBSERVER PROGRAMME INTERSESSIONAL WORKING GROUP
Online

5 November 2026
10:00am – 2:00pm (Pohnpei Time)

Meeting Agenda

ROPIWG10-2026-AGENDA
24 October 2026

Submitted by ROP-IWG Chair

Item	Agenda Topic	Details & Intersessional Tasks
1.0	Opening of Meeting & Administrative Arrangements	• Welcome remarks by the IWG Chair. • Adoption of the provisional agenda, logistics and working hour setup.
2.0	Compliance & Case File System (CCFS) Integration	• Refinement of procedural rules governing data flows from CCMs to the WCPFC Secretariat. • Enhancing the structural feed to directly trigger case generation inside the CCFS mechanism.
3.0	CMM Alignment & Data Field Harmonization	• Optimization of observer recording workloads. • Aligning physical fields to capture evidence for newly introduced Conservation and Management Measures (CMMs).
4.0	Non-Catch Transfer Monitoring Data Fields	• Finalization of specific fields within the ROP Minimum Standard Data Fields. • Focus on tracking transshipment vessels transferring dry supplies, fuel, and crew transfers at sea.
5.0	2027 Work Plan Priorities & Intersessional Targets	• Finalizing schedule milestones for review cycles preceding SC22 and TCC22.

6.0**Other Matters & Closing**

- Open floor discussion on emerging localized constraints.
 - Finalization and adoption of summary recommendations.
-
