Professor. Glen Hurry Executive Director Western and Central Pacific Fisheries Commission Kolonia, Pohnpei State Federated States of Micronesia

Dear Prof. Hurry,

Submission of proposal to amend paragraph 15 of CMM 2007-03

As you are aware, the 6th meeting of the Technical and Compliance Committee could not reach agreement on amendments to paragraph 15 of CMM 2007-03 submitted by Tonga on behalf of FFA Members.

TCC6 recommended that CCMs provide written comments on the issues with paragraph 15 to Tonga by 31 October 2010, and that Tonga prepares a revised proposal to be considered at the seventh annual session of the Western and Central Pacific Fisheries Commission. No comments have been received.

Therefore I submit on behalf of FFA Members the attached proposal for amendments to paragraph 15 of CMM 2007-03 to be considered at WCPFC7. In summary the proposal makes a distinction between fishing violations that occur in a coastal State's waters and those that occur on the high seas, requires that fishing violations that occur in a coastal State's waters be resolved to the satisfaction of that coastal State, and in so doing affirms the sovereignty and the exercise of sovereign rights of the coastal State.

Your relevant action is appreciated.

Respectfully,

Dr. Sione Vailala Matoto

CEO-MAFFF
