ADOPTED TCC WORKPLAN AND BUDGET

Introduction

“TCC Work Program 2013 – 2015” is formatted and tailored on the functions of TCC. Priority TCC tasks are identified upfront and reflected by their immediacy in the work plan.

The format of the workplan remains true to the functions of TCC and should be applied in the same manner when drafting future TCC Agendas, noting that it does not prevent members from tabling other proposals.

In considering the work plan caution was and should be exercised with the amount of tasks set in the first year. The aim should be to assign tasks equally over the three years of the work plan.
