**AUDITOR'S REPORT FOR 2014 AND GENERAL ACCOUNT FUND**  
**FINANCIAL STATEMENTS FOR 2014**

---

**WCPFC12-2015-FAC9-04**  
**21 October 2015**

**Introduction**

1. The Commission's Financial Regulations require that the independent external auditor issue a report on the audit of the annual financial statements and relevant schedules relating to the accounts (Finance Regulation 12.6). Following consideration of the audited financial statements and audit report, the Commission shall signify its acceptance of the audited financial statements or take such other action as it may consider appropriate (Financial Regulation 13.1).
2. In undertaking the audit, the auditor is required to report on all relevant matters, including:
  - whether the statements are based on proper accounts and records;
  - whether the statements are in agreement with the accounts and records;
  - whether income, expenditure and investment of moneys and the acquisition and disposal of assets by the Commission during the year were in accordance with the Regulations; and
  - provide observations with respect to the efficiency and economy of the financial procedures and conduct of business, the accounting system, internal financial controls and the administration and management of the Commission.
3. The audit and compliance documents, which comprise the formal communications from the external auditor, were circulated to all Commission Members, Cooperating Non-Members and Participating Territories in July 2015. The audit, compliance reports and annual financial statements are attached for reference. They show a compliant and unqualified set of accounts and reports.

**External Audit Timing Requirements**

4. The Commission's annual financial statements for the 2014 financial period were submitted to the Auditor prior to 07 May 2015. Under Finance Regulation 12, the financial statements are due to the auditor by 31 March, 2015. The delay in submitting the financial statements to the auditor was due to a late statement from one overseas bank. The final audit was submitted to the Commission on 13 July 2015.

**Scope**

5. The primary reporting focus of the financial statements is the Commission's General Account Fund established in accordance with Financial Regulation 6.1 (a). However, detailed information about the other funds in existence as at 31 December 2014: the Working Capital Fund; Special Requirements Fund; US Funds for Supporting E-Monitoring and E-Reporting; West Pacific East Asia Oceanic Fisheries Management Project; the Japan Trust Fund; the Fees and Charges Trust Fund; the Voluntary Contributions Fund; and the Food and Agriculture Organization's Area's Beyond National Jurisdiction Project Fund was provided to the auditor and addressed in Note 7 to the Financial Statements. These other funds were therefore subject to the same audit process as the General Account Fund. The reporting format for the other funds was adopted on the recommendation of the external auditor.

#### **Audit findings**

6. The audit report and compliance report provides:

- the external auditor's opinion was that the "financial statements referred to above present fairly, in all material respects, the financial position of the general account fund of the Commission as of December 31, 2014, and the results of its operations and its cash flows for the year..."; and
- a statement that there was no instances of noncompliance with the Commission's Financial Regulation 12.4 (c) which requires an opinion on regulatory compliance in relation to income, expenditure, the investment of moneys and the acquisition and disposal of assets.

#### **Financial results**

7. For the General Account Fund, the financial statements show that there was an excess of income over expenditure of USD196,899. In addition to the surplus, prior years' contributions of USD165,322 were paid by some Members in 2014 and the liability for unliquidated obligations was reduced by USD26,310 in 2014. Thus, the General Account Fund balance at the end of the year was USD388,531. In accordance with Financial Regulation 4.4 this balance was transferred to the Working Capital Fund.

#### **Recommendation**

8. The Commission is invited to consider the audited financial statements.

## **Independent Auditors' Report**

The Chairman  
Western and Central Pacific Fisheries Commission:

We have audited the accompanying financial statements of Western and Central Pacific Fisheries Commission (the "Commission"), which comprise the general account fund statement of assets, liabilities and fund balance as of December 31, 2014, and the related statement of income and expenditures and changes in fund balance, of cash flows and of appropriations and expenditures for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the Commission's financial regulation 12.4; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards, which are consistent with the generally accepted auditing standards referred to in the Commission's financial regulation 12.4, require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Commission's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the general account fund of the Commission as of December 31, 2014, and the results of its operations and its cash flows for the year then ended on the basis of accounting described in Note 2.

## **Basis of Accounting**

We draw attention to Note 2 to the financial statements, which describe the basis of accounting. The financial statements were prepared in conformity with financial regulations of the Commission and certain accounting standards adopted by other international organizations, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

## **Other Matters**

We have also issued our report dated July 9, 2015, on the Commission's compliance with financial regulation 12.4(c) and our consideration of the Commission's internal control over financial reporting as required by the Commission's financial regulation 12.4(d).

The Chairman  
Western and Central Pacific Fisheries Commission

Dear Chairman:

We have performed an audit of the financial statements of Western and Central Pacific Fisheries Commission (the Commission) as of and for the year ended December 31, 2014, in accordance with auditing standards generally accepted in the United States of America ("generally accepted auditing standards") and have issued our report thereon dated July 9, 2015.

We have prepared the following comments to assist you in fulfilling your obligation to oversee the financial reporting and disclosure process for which management of the Commission is responsible.

#### **OUR RESPONSIBILITY UNDER GENERALLY ACCEPTED AUDITING STANDARDS**

Our responsibility under generally accepted auditing standards has been described to you in our engagement letter dated March 18, 2015, a copy of which has been provided to you. As described in that letter, the objective of a financial statement audit conducted in accordance with generally accepted auditing standards is to express an opinion on the fairness of the presentation of the Commission's financial statements in conformity with the financial regulations of the Commission and certain accounting standards adopted by other international organizations, in all material respects. Our responsibilities under generally accepted auditing standards include forming and expressing an opinion about whether the financial statements that have been prepared by us with the oversight of management and the Board of Directors are presented fairly, in all material respects, in conformity with those accounting standards. The audit of the financial statements does not relieve management or the Board of Directors of their responsibilities.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether caused by fraud or error. In making those risk assessments, we considered internal control relevant to the Commission's preparation and fair presentation of the financial statements in order to design audit procedures that were appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. Accordingly, we do not express an opinion on the operating effectiveness of the Commission's internal control over financial reporting. Our consideration of internal control over financial reporting was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses.

#### **ACCOUNTING ESTIMATES**

Accounting estimates are an integral part of the financial statements prepared with the oversight of management and are based on management's current judgments. Those judgments are ordinarily based on knowledge and experience about past and current events and on assumptions about future events. We are not aware of any significant changes in accounting estimates or in management's judgments relating to such estimates during the year ended December 31, 2014.

## **UNCORRECTED MISSTATEMENTS**

Our audit of the financial statements was designed to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. We have attached to this letter, as Appendix A to Attachment I, a summary of uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

## **SIGNIFICANT ACCOUNTING POLICIES**

The Commission's significant accounting policies are set forth in note 1 to the Commission's 2014 financial statements. During the year ended December 31, 2014, there were no significant changes in previously adopted accounting policies or their application.

## **OTHER INFORMATION IN THE ANNUAL REPORT**

The 2014 audited financial statements were not included in documents containing other information such as the Commission's Annual Report as of the date of this letter.

## **DISAGREEMENTS WITH MANAGEMENT**

We have not had any disagreements with management related to matters that are material to the Commission's 2014 financial statements.

## **OUR VIEWS ABOUT SIGNIFICANT MATTERS THAT WERE THE SUBJECT OF CONSULTATION WITH OTHER ACCOUNTANTS**

We are not aware of any consultations that management may have had with other accountants about auditing and accounting matters during 2014.

## **SIGNIFICANT FINDINGS OR ISSUES DISCUSSED, OR SUBJECT OF CORRESPONDENCE, WITH MANAGEMENT PRIOR TO OUR RETENTION**

Throughout the year, routine discussions regarding the application of accounting principles or auditing standards were held with management in connection with transactions that have occurred, transactions that are contemplated, or reassessment of current circumstances. In our judgment, such discussions were not held in connection with our retention as auditors.

## **MANAGEMENT'S REPRESENTATIONS**

We have made specific inquiries of the Commission's management about the representations embodied in the financial statements. Additionally, we have requested that management provide to us the written representations the Commission is required to provide to its independent auditors under generally accepted auditing standards. We have attached to this letter, as Attachment I, a copy of the representation letter we obtained from management.

## **SIGNIFICANT DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT**

In our judgment, we received the full cooperation of the Commission's management and staff and had unrestricted access to the Commission's senior management in the performance of our audit.

## **OTHER MATERIAL WRITTEN COMMUNICATIONS**

There were no other material written communications between management and us related to the audit of the financial statements for the year ended December 31, 2014.

\* \* \* \* \*

We wish to thank the staff and management of the Commission for their cooperation and assistance during the course of this engagement.

This report is intended solely for the information and use of management, the Board of Directors and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Deloitte + Tatchell LLP
