RE: WCPFC Management Objective Workshop 4 / Harvest Strategy Workshop

Dear All,

Please find attached the Provisional Agenda and Indicative Schedule for the Management Objectives Workshop 4 (MOW4) which is proposed to be retitled as the Harvest Strategy Workshop (HSW).

The agenda was developed by the Secretariat in collaboration with the Workshop Facilitator, Dr Ian Cartwright, taking into account the discussions at MOW3 and the WCPFC11 on the MOW outcomes and the Harvest Strategy CMM 2014-06.

If you haven't done so already, you are invited to visit the WCPFC Meetings Registration webpage at <https://www.wcpfc.int/node/26851> to register online as early as possible, but by 10th November, 2015 (or email your registration form to Lucille.Martinez@wcpfc.int). Timely registration will facilitate the booking of an appropriately sized venue.

Please check the webpage (<https://www.wcpfc.int/meetings/wcpfc-harvest-strategy-workshop>) for workshop information and documents over the intervening weeks.

Any queries on the workshop may be directed to the Assistant Science Manager, Mr Anthony Beeching on anthony.beeching@wcpfc.int.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Feleti P Teo", is located to the left of the printed name.

**Feleti P Teo, OBE
EXECUTIVE DIRECTOR**
