SUMMARY OF CURRENT WCPFC CHARTER NOTIFICATIONS UNDER CMM 2012-05

WCPFC12-2015-IP04_rev1¹
22 November 2015

Paper by WCPFC Secretariat

1. The WCPFC Charter Notification Scheme is governed by Conservation and Management Measure 2012-05 (which replaced CMM 2011-05 and CMM 2009-08).
2. In accordance with CMM 2012-05, each chartering Member of Participating Territory can choose to notify the Commission of any vessel to be identified as chartered in accordance with the CMM by sending a notification containing the information in paragraph 2 to the Executive Director and to the relevant flag CCM. The notification by a Commission member or participating territory of a charter, lease or other mechanisms involving vessels flagged to another CCM, means that the vessel can be considered to be an integral part of the domestic fleet of that chartering Member or Participating Territory. In addition, it should be noted that the Conservation and Management Measure on regulation of transshipment (CMM 2009-06, considers that the chartering CCM is responsible for reporting against vessels that are flying the flag of another CCM but notified as operating as an integral part of the domestic fleet (see paragraph 7).
3. Paragraph 5 of CMM 2012-05 instructs the Executive Director to make available to all CCMs information submitted under CMM 2012-05. Information received from CCMs on charter arrangements can currently be found in two places on the WCPFC Intranet.
 - I. As part of the Record of Fishing Vessels: where flag CCMs are expected in accordance with the RFV SSPs to confirm charter arrangements for their vessels are submitted in accordance with CMM 2014-03 (CMM 2014-03, RFV SSPs).
 - II. In the Charter Notification List maintained by the Secretariat, which records advice that chartering Members or chartering participating territories have advised the Secretariat as well as the appropriate flag CCM, in accordance with the WCPFC Charter Notification Scheme (CMM 2012-05 or its predecessor)
4. As at 22 November 2015, seven CCMs have notified the Executive Director of a total of 184 vessels which in accordance with CMM 2012-05 should be considered to be an integral part of the domestic fleet of that chartering Member or Participating Territory for the 2015 calendar year. In accordance with paragraph 6 of CMM 2012-05, a summary of the list of notified charter vessels for 2015 calendar year is presented in Table 1.
- 5. The paper is for information, and WCPFC12 is invited to note the paper**

¹ Rev 1 includes consideration of a charter notification received 20 Nov 2015
