

**COMMISSION
EIGHTH REGULAR SESSION**
Koror, PALAU
5-9 December 2011

SUMMARY OF ANNUAL REPORTS PARTS 1 AND 2

**WCPFC8- 2011/19
7 November 2011**

ISSUES:

Part 1 and Part 2 Reports

1. At the First Regular Session of the Technical and Compliance Committee (TCC1) in December 2005, Commission Members, Cooperating Non-Members and Participating Territories (CCMs) agreed to a two-part reporting format of an Annual Report to the Commission. The purpose of this report is to provide to the Commission information on fisheries, research and statistics during the preceding calendar year (Part 1), and management and compliance issues since the previous report (Part 2). Part 1 should be submitted one month prior to SC and Part 2 one month prior to TCC.
2. A number of these reports continue to be presented late or are still outstanding. The Secretariat is implementing an information management system for improved tracking of correspondence to and from CCMs.
3. WCPFC7 tasked the Secretariat to Streamline the Part 2 Annual Reports according to criteria set by the Commission. This will impact the proposed new format for the Part 2 Annual Reports so it is not included in this paper as has been the norm in the past.

DECISIONS:

4. WCPFC8 is invited to:
 - consider the Part 1 and Part 2 Annual Reports of activities in 2010 provided to the Commission in 2011;
 - note the importance of receiving the Part 1 and Part 2 reports to support both the science component and also the compliance components of the Commission, with special note of the inputs of these reports into the new Compliance Monitoring Scheme;

- encourage those CCMs that have not already done so to submit their Part 1 and Part 2 Reports for the 2005, 2006, 2007, 2008, 2009 and 2010 activity periods.

DISCUSSION:

5. All CCMs are required to submit Part 1 Report except France and the US Territories. Nine CCMs submitted Part 1 Reports before the deadline (one month prior to SC7), and the remaining 19 CCMs submitted Part 1 Reports as of the date of this report.

Annual Reports Part 2

6. Twenty-five Commission Members, including seven Participating Territories, and nine Cooperating Non-Members were required to submit to the Commission by 30 August 2010 their respective Part 2 Reports on Management and Compliance, for the period 1 January-31 December 2010. As of 30 August the Secretariat had received 16 Part 2 Reports, and at the time of writing of this report the Secretariat has received a total of 28 Part 2 Reports which are available to WCPFC8.

7. Judging from the untimely submission of many of the Part 1 and Part 2 Reports by due dates, the reporting obligations associated with complying with the Convention's principles and implementing the Commission's decisions are continuing to present significant challenges for many CCMs.
