Dear All

Subject: Circular 2011/37

I promise that this will be the last circular that I send out in 2011. As the EU has correctly pointed out there is a sentence missing from the agreed text for Decision 2. It is the last sentence and was left off in the final text circulated as 2011/37.

The correct Decision 2 text is as follows.

Decision 2 CMM 2008/01 provisions for Bigeye and Yellowfin tuna.

The Commission agrees that due to exceptional circumstances, CMM2008/01 shall remain in effect until such time as it is discussed at a reconvened WCPFC8 in 2012. The provisions that have different requirements for specific years shall continue to operate as specified for 2011.

Noting that this rollover shall not be considered a precedent nor shall it prejudice the positions of members when engaging in future discussion on this issue.

Could you please amend your records to reflect this change.

Thanks

Glenn
