Funding for Developing Countries and Participating Territories

The Commission will fund the participation (a daily allowance and most direct economical airfare) of one representative from each developing country and participating territory that is a member of the Commission. Formal nominations for participants to receive this support should be submitted to the Secretariat (Lucille.Martinez@wcpfc.int) under the signature of their WCPFC Official Contact for qualifying developing countries and participating territories as early as possible but no later than 22 August 2011.

Could we ask that countries make every effort to advise the WCPFC Secretariat as soon as it is known who will be attending as the earlier we can book airfares we can achieve better rates. Late

changes to booking are unlikely to be able to be accommodated as they add significantly to the cost of bookings.
