Re: Nicaragua financial obligations 2017

In response to your inquiry related to the participation of Nicaragua in the work of the Inter-American Tropical Tuna Commission (IATTC) and the Agreement for the International Conservation Program (AIDCP), we understand the reference period of inquiry to be 2017.

We can confirm that Nicaragua has no pending obligations with the IATTC for the year 2017, and that they are considered to be a member in good standing.

We consider Nicaragua to be in compliance with the obligations of the IATTC, including those related to the conservation and management of tunas. With respect to its financial obligations, Nicaragua has paid its FY 2017 contribution in full.

We consider Nicaragua to be in compliance with its obligations established under the AIDCP, including compliance with all resolutions adopted by the Parties to that Agreement.

Please let me know if you require any additional information.
