COOPERATION WITH OTHER ORGANIZATIONS

WCPFC-SC8-2012/GN-IP-01

Secretariat

Introduction

1. Article 22 of the Convention requires the Commission to collaborate with other Intergovernmental organizations which may contribute to the attainment of the objective of the Convention. The Commission has relations with the following organisations. The agreements with each of these organizations can be found on <http://wcpfc.int/relations-with-other-organisations>.

- 1) Secretariat of the Pacific Community (SPC);
- 2) Commission for the Conservation of Southern Bluefin Tuna (CCSBT);
- 3) International Scientific Committee for Tunas and Tuna-like Species in the North Pacific Ocean (ISC);
- 4) Inter-American Tropical Tuna Commission (IATTC);
- 5) Pacific Islands Forum Fisheries Agency (FFA);
- 6) Commission for the Conservation of Antarctic Marine Living Resources (CCAMLR);
- 7) Indian Ocean Tuna Commission (IOTC);
- 8) Secretariat of the Pacific Regional Environment Programme (SPREP);
- 9) Agreement for the Conservation of Albatross and Petrels (ACAP); and
- 10) North Pacific Anadromous Fish Commission (NPAFC).

Existing arrangements

Commission for the Conservation of Southern Bluefin Tuna (CCSBT)

2. An MOU between CCSBT and WCPFC was signed following the endorsement of the Second Regular Session of the Commission, 12-16 December 2005 at Pohnpei, Federated States of Micronesia.

International Scientific Committee for Tuna and Tuna-like Species in the North Pacific Ocean (ISC)

3. An MOU was adopted in December 2005. On the basis of recommendations from the *Independent Review of the Commission's Transitional Science Structure and Functions*, the Commission directed that the Secretariat undertake a review of the MOU. This task is pending further direction from the Commission.

Inter-American Tropical Tuna Commission (IATTC)

4. An MOU was executed by representatives of the IATTC and WCPFC following its endorsement by WCPFC3 at Apia, Samoa in December 2006.
5. A data exchange agreement to support the exchange of data between the two Commissions was signed by the two parties at the end of the Commission meeting at Papeete, French Polynesia in December 2009.
6. A Memorandum of Cooperation on the Cross Endorsement of Regional Observers between WCPFC and IATTC was signed at the IATTC meeting in La Jolla, USA in July 2011 (Attachment Q, WCPFC7 Summary Report).
7. WCPFC8 directed the WCPFC Executive Director to continue to work with the IATTC Executive Director to implement an arrangement for the deployment of cross-endorsed observers as soon as possible. The first WCPFC-IATTC cross-endorsement training will be held in Kiribati from 14 -20 August 2012.

Pacific Islands Forum Fisheries Agency (FFA)

8. As directed by the Fourth Regular Session of the Commission an MOU between the two secretariats was finalized.
9. There is also a service level agreement (SLA) between the FFA and the Commission for VMS services consistent with paragraph 5 of Article 15 of the Convention.

Agreement for the Conservation of Albatross and Petrels (ACAP)

10. The Fourth Regular Session of the Commission adopted an MOU with ACAP.

Secretariat of the Pacific Regional Environment Programme (SPREP)

11. The Fourth Regular Session of the Commission adopted an MOU with SPREP.

Indian Ocean Tuna Commission (IOTC)

12. The Fourth Regular Session of the Commission adopted an MOU with IOTC.

Commission for the Conservation of Antarctic Marine Living Resources (CCAMLR)

13. WCPFC5 adopted an Arrangement with CCAMLR. The Arrangement was signed by the Chair of CCAMLR on 12 January 2009.

North Pacific Anadromous Fish Commission (NPAFC)

14. An MOU was developed by the two Secretariats, approved by WCPFC 6 at Papeete, French Polynesia in December 2009, and was signed in December 2010.

Other potential arrangements

UN Food and Agriculture Organization (FAO)

15. The Fourth Regular Session of the Commission decided that there is no urgency to develop an MOU with FAO.

International Convention for the Conservation of Atlantic Tunas (ICCAT)

16. Regular dialogue is maintained with the ICCAT directly and through the tuna-RFMO network. There are no developments to report in respect of formalizing an arrangement for consultation, cooperation and collaboration with ICCAT during 2010 and 2011.

Tuna Regional Fisheries Management Organisations (t-RFMOs)

17. WCPFC has participated in KOBE III in La Jolla, USA, and is participating in the regular posting of the Consolidated List of Authorized Fishing Vessels (CLAV) of all registered fishing vessels in the tRFMOs. The CLAV is being coordinated by IOTC. Joint tuna RFMO meeting outcomes and updates can be found at www.tuna-org.org.

North Pacific Marine Science Organization (PICES)

18. PICES is an intergovernmental scientific organization that was established in 1992 to promote and coordinate marine research in the northern North Pacific and adjacent seas. Its present members are Canada, Japan, People's Republic of China, Republic of Korea, the Russian Federation, and the United States of America. PICES continues to invite WCPFC to participate in its annual meetings. The Secretariat remains in the position of funding and staffing constraints preventing participation, but looks forward to close cooperation in future years.
