DRAFT IUU LIST AND CURRENT WCPFC IUU LIST

WCPFC-TCC8-2012/09

21 September 2012

Paper prepared by the Secretariat

Introduction

1. The Seventh Regular Session of the Commission (WCPFC7) adopted Conservation and Management Measure 2010-06 (CMM 2010-06) 'Conservation and Management Measure to Establish a List of Vessels Presumed to Have Carried Out Illegal, Unreported and Unregulated Fishing Activities in the WCPO' (which replaced CMM 2007-03). CMM 2010-06 requires the Executive Director to prepare a draft IUU Vessel List based on information received from Members, Cooperating Non-Members and Participating Territories (CCMs) at least 70 days before the annual meeting of the Technical and Compliance Committee (TCC). CMM 2010-06 further requires the Executive Director to transmit the draft IUU Vessel List, together with all the supporting evidence provided, to all CCMs, as well as to non-CCMs with vessels on the list, at least 55 days before the annual meeting of the TCC.

2. On August 3 2012 the Executive Director dispatched to CCMs a draft IUU Vessel List and supporting evidence that was prepared by the Secretariat, on the basis of information provided by CCMs, pursuant to CMM-2010-06. At the time of circulation of the draft IUU list, the WCPFC8 Summary Report was still in draft, so the WCPFC IUU list was not circulated at this time. However, the 2012 WCPFC IUU list has been available on the WCPFC website since 30 March 2012 (at <http://www.wcpfc.int/vessels#IUU>) and an updated version to correspond with the finally approved WCPFC IUU list was posted to the WCPFC website on 29 August 2012.

Draft IUU Vessel List

3. In accordance with CMM 2010-06, CCMs and non-CCMs had an opportunity to transmit, at least 30 days before the annual meeting of the TCC, their comments to the Executive Director, including suitably documented information as set out in paragraph 25 of the CMM. On 10 September 2012 WCPFC received a response from China to the draft IUU list application.

4. Using this information, the Executive Director drew up a draft IUU Vessel List (**Attachment 1**) and re-circulated it on 13 September 2012, together with all the suitably documented information, to the CCMs and non-CCMs concerned.

5. On 20th September 2012 the Executive Director re-circulated the current WCPFC IUU Vessel List (**Attachment 2**). As of the date of preparation of this paper the Executive Director had not

received comments from Chinese Taipei and Georgia in respect of their flag vessel on the WCPFC IUU Vessel List.

6. Pursuant to CMM 2010-06, TCC8 is invited to:

a. following consideration of the draft IUU Vessel List, and suitably documented information circulated by the Executive Director, adopt a Provisional IUU Vessel List, and submit it to the Commission for consideration and approval;

b. as appropriate, recommend any proposed changes to the current WCPFC IUU Vessel List.
