# Statement by Liberia to 22nd Regular Session of WCPFC Commission

Liberia joins other delegations in thanking the Philippines and Canada for offering to host the 22<sup>nd</sup> Session of the Commission.

Liberia regrets its failure to attend the 21<sup>st</sup> meeting of the Technical and Compliance Committee (TCC21). Our internal administrative investigation established that this was entirely due to the illness of one of the designated attendees and problem with internet connectivity. Despite this unfortunate situation, Liberia has put in place several measures to ensure its full and active participation of future meetings including the 22<sup>nd</sup> Regular Session of the WCPFC Commission.

At the same time, Liberia wishes to reaffirm its commitment to the implementation and enforcement of the conservation and management measures adopted by the WCPFC Commission.

Furthermore, Liberia wishes to state that it is fully committed to ensuring the timely payment of its assessed contribution to the WCPFC.
