Dear All,

Please refer to the attached information provided by the Government of the Philippines regarding transportation arrangements for delegates traveling to Manila later this month for WCPFC22.

Yours sincerely,

WCPFC22 TRANSPORTATION ARRANGEMENT IN MANILA

1. Entry to the Philippines

Upon arrival at Ninoy Aquino International Airport (NAIA Terminal 1 or Terminal 3), make sure to complete the eTravel information form available at <https://etravel.gov.ph/signin> (or scan the QR Code below), which is required for immigration and customs. There will be a "Priority Lane" for WCPFC22 participants at one of the immigration counters; if this lane is unavailable, you can use the regular lane. Once you have collected your bags, proceed to the arrival terminal exit.

2. Airport Transportation

At the exit, look for the assigned WCPFC airport reception/signage and protocol officers, who will assist you in locating your assigned vehicles free of charge. However, if you arrive during peak times and the assigned vehicles are unavailable, the protocol officers may arrange alternative transportation at your own cost. To ensure the necessary logistical support is delivered, please fill out the form available at <https://tinyurl.com/wcpfc22transpo> or scan the QR Code and provide your arrival and departure schedule including hotel accommodation in Manila.

3. Hotel Accommodation to Venue

Buses/Vans service will be provided to pick up participants from their hotels and bring them to the venue and vice versa. The exact pickup times and routes will be posted on the WCPFC22 meeting page. Early registration is essential to ensure you are included in the transport logistics plan.
