

**SOUTH PACIFIC ALBACORE MANAGEMENT WORKSHOP (SPAMWS)
SECOND SESSION**

Electronic Meeting

Wednesday, 5 November 2025 (10:00-14:00, Pohnpei time)

MEETING NOTICE

WCPFC-SPAMWS02-2025-01

12 October 2025

As requested by the Commission at WCPFC21 (*see paragraph 713, WCPFC21 Summary Report*) and agreed by the first SPAMWS, the Secretariat is pleased to announce that the Second Session of the South Pacific Albacore Management Workshop will be held online on Wednesday, 5 November 2025, Pohnpei date. The virtual workshop will begin at 10:00am, Pohnpei time, and run for four (4) hours. SC Chair, Ms. Emily Crigler, and the SPA-Roadmap-IWG Chair, Mr. Moses Mataika, will co-chair the workshop.

The first workshop agreed that the second workshop discussions will focus on HCRs and any proposals for a CMM that would implement the SPA MP (paragraphs 17-18, SPAMWS01 Report). Accordingly, the annexed provisional agenda was developed to support this decision.

All meeting documents will be made available in due course on the SPAMWS02 webpage. If you have any questions, please contact the Commission's Science Manager, Dr SungKwon Soh, at sungkwon.soh@wcpfc.int.

Registration

Online [registration](#) is available via the SPAMWS meeting webpage on the WCPFC website. All participants are kindly requested to register as early as possible.
