

**JOINT IATTC AND WCPFC-NC WORKING GROUP
SEVENTH CATCH DOCUMENTATION SCHEME TECHNICAL MEETING
(CDS-07)**

8 July 2026
Nagasaki, Japan (Hybrid)

WORKING DRAFT CMM RESOLUTION FOR PACIFIC BLUEFIN TUNA CDS

IATTC-NC-CDS07-2026-02

Small Working Group under the CDS Technical Meeting

Background

In 2019 and 2020, the virtual working group established under the CDS Technical Meeting discussed a draft CMM/Resolution for Pacific bluefin tuna Catch Documentation Scheme. The draft CMM/Resolution received many comments and suggestions from the members of the virtual working group. In June 2022, Japan, as the lead, circulated the 3rd draft of the CMM/Resolution among members of virtual working group, with all comments and suggestions tentatively incorporated. However, since the text became quite busy with those comments and suggestions, including provisions related to traceability and monitoring, controlling and surveillance measures, some of which were considered to be beyond the scope of the CDS, the 3rd draft was not directly discussed at the 3rd CDS Technical meeting.

The 3rd CDS Technical meeting in July, 2022 agreed that “the scope and functions of the draft CMM for the development of CDS would: i) not include seafood traceability and not go beyond the scope of the bluefin tuna CDSs utilized by the CCSBT and ICCAT, and ii) not include specific monitoring, controlling and surveillance measures.”

The 4th CDS Technical meeting in July 2023 tentatively agreed to use resources from the CCSBT e-CDS as the platform for the system development of ePBCD. This choice has some implication to the Draft CMM/Resolution. On the other hand, there were several pending issues that need further discussion, such as demarcation between IATTC and WCPFC.

In July 2024, the small working group submitted a working draft CMM/Resolution to the 5th CDS Technical meeting. This draft was developed based on the 3rd draft and by simplifying some of the text to reflect the agreement in 2022 to narrow the scope and functions of the draft CMM/Resolution. The 5th CDS Technical meeting tentatively agreed to take a stepwise approach to determine the scope of application and to initially set the scope as covering international transactions. The 5th CDS Technical meeting also agreed to task the small working group to produce an amended draft CMM and to present it at the next CDS Technical meeting.

Furthermore, at the 102nd meeting of the IATTC in September 2024 and the 21st regular session of the WCPFC in December 2024, the CPCs/CCMs agreed to consider the establishment of a CDS for Pacific bluefin tuna fisheries in the EPO/WCP0 by 31 December 2026.

In July 2025, the small working group submitted an amended working draft CMM/Resolution to the 6th CDS Technical meeting. Several revisions were discussed and incorporated during the meeting, and the

small working group was tasked with working intersessionally to further refine the draft CMM/Resolution.

In light of this progress, the small working group wishes to submit the revised working draft CMM/Resolution as attached for further discussions at the 7th CDS Technical meeting.

Part I: General Provisions and Application

1. The objective of the Pacific bluefin tuna Catch Documentation (PBCD) program is to identify the origin and movement of Pacific bluefin tuna (PBF) in its processed or unprocessed form (wild capture or farmed) in order to support the implementation of Conservation and Management Measure (CMM)/Resolution for PBF, including by providing a tool to assist in combating IUU fishing.
2. This CMM/Resolution applies to PBF, except for those captured in sport and recreational fisheries when their sales are prohibited.
3. For the purpose of this CMM/Resolution:
 - (1) "Catch" means:
Commercial wild capture of PBF, except when the captured PBF is not retained on board.
 - (2) "Caging" means:
The relocation of live PBF from a fishing vessel, trap or transport cage to a farming cage, including a fattening cage.
 - (3) "Export" means:
Any movement of PBF from the territory of the Commission Member, Cooperating Non-member and participating Territory (hereinafter referred to as CCM)/Member and Cooperating Non-Member (hereinafter referred to as CPC) where the fishing vessel is flagged (hereinafter referred to as flag CCM/CPC) or where the trap or farm is established (hereinafter referred to as trap CCM/CPC or farm CCM/CPC, respectively) to the territory of another CCM/CPC or non-CCM/non-CPC of the Commission, or from the fishing grounds to the territory of a CCM/CPC which is not the flag CCM/CPC or to the territory of a non-CCM/non-CPC of the Commission.
 - (4) "Harvest [(from cages)]" means:
Removal of PBF from farming cages for consumption, processing, export or other purposes that result in the death of the animal.
 - (5) "Import" means:
Any introduction of PBF into the territory of a CCM/CPC [or non-CCM/CPC] from another CCM/CPC or non-CCM/CPC of the Commission, or from the fishing grounds to the territory of a CCM/CPC, which is not the flag CCM/CPC, trap CCM/CPC or farm CCM/CPC.
 - (6) "Re-export" means:
Any movement of PBF from the territory of a CCM/CPC where it was previously imported to the territory of another CCM/CPC or non-CCM/non-CPC.
 - (7) "Transshipment" means:
The unloading of all or any of PBF on board a fishing vessel to another fishing vessel either at sea or in port.
4. [Export, import or re-export of PBF without a completed and validated electronic Pacific bluefin tuna Catch Documentation (ePBCD) or electronic Pacific bluefin tuna Re-export Certificate (ePBRC) shall be prohibited.] Export, import or re-export of fish parts other than the meat or collars (i.e., heads, eyes, roes, guts and tails) shall be exempted from the requirement of this CMM/Resolution.
5. Development and implementation of ePBCD and [ePBRC]
 - (1) For the implementation of this CMM/Resolution, an interoperable ePBCD system [between IATTC and WCPFC] will be developed. This system will also be made available for [ePBRC]. WCPFC and IATTC Secretariats should formulate the Terms of Reference for an open tender for the system development before the end of 20XX, or as soon as possible thereafter. Such Terms

of Reference shall be approved by both WCPFC and IATTC. The Secretariat shall report to the Commission the result of tenders and progress on the system development thereafter.

- (2) A pilot testing phase will be undertaken at least for [X] years to implement ePBCD and [ePBRC]. The pilot testing will involve CCMs/CPCs on a voluntary basis and cover range of actions required in this CMM/Resolution.
- (3) Use of the ePBCD system is mandatory of all CCMs/CPCs once the establishment of the ePBCD system is completed with necessary modifications as a result of the pilot testing phase.
- (4) Notwithstanding paragraph 4 and subparagraph (3), paper PBCDs and [PBRCs], whose formats are attached as Annex A and B, respectively, or printed ePBCDs and [ePBRCs] may be used in cases falling under the exceptional circumstances specified in paragraph 26. The provisions of paragraph 4 and Parts II through VII shall apply *mutatis mutandis* to paper PBCDs and PBRCs or printed ePBCDs and [ePBRCs].
- (5) The ePBCD system will include a function that automatically detects any inconsistencies in the input data and notifies the relevant CCMs/CPCs of these inconsistencies. Such inconsistencies shall include the following:
 - a. The accumulated catch attributed to a CCM/CPC recorded in the ePBCD system exceeds that CCM/CPC's catch quota or catch limit for the relevant management year (notification will be sent to the CCM/CPC).
 - b. The amount of exported Pacific bluefin tuna recorded in the ePBCD system originating from a single vessel or trap on a single day exceeds the recorded amount of PBF caught by that vessel or trap on that day (notification will be sent to the exporting CCM/CPC).

Part II: Documents and Information Required

6. The following information shall be recorded in the ePBCD. Each item shall be in accordance with the specifications in Annex C.
 - (1) Information on catch
 - (2) Information on transshipment
 - (3) Information on harvest [(from cages)]
 - (4) Information on first sale after catch
 - (5) Information on [export] and import
7. The following information shall be recorded in the [ePBRC]. Each item shall be in accordance with the specifications in Annex D.
 - (1) Information on imported PBF, including information on related ePBCD(s)
 - (2) Information on re-export and import

Part III: Validation

8. Record in ePBCD and [ePBRC]
 - (1) The master or operator of a vessel, the trap or farm operator, the exporter, their authorized representative, or the authorized representative of the flag CCM/CPC, trap CCM/CPC, farm CCM/CPC or the CCM/CPC where PBF is exported from (hereinafter referred to as export CCM/CPC) shall record the information specified in paragraph 6 in the appropriate section of the ePBCD on each occasion it catches, transships, harvests [(from cages)], first sells, or exports PBF.
 - (2) For PBF that is not exported, catch and transshipment information must be recorded in the ePBCD, however, the additional information required in sub-paragraph (1) is not required.

(3) Information on catch shall be recorded within [7] days of the landing or transshipment whichever comes first. However, if the landing of PBF by one vessel or one trap at a time is less than [1] metric ton, or the PBF is tagged in accordance with Part IV, the information may be recorded within [] days. When PBF is caged, information on catch shall be recorded within []. Any transfer of the caged PBF shall be prohibited until the information on catch is recorded.

~~(3)~~(4) Information on transshipment shall be recorded within [7] days of the transshipment.

~~(4)~~(5) The re-exporter, its authorized representative, or the authorized representative of the CCM/CPC where the PBF is re-exported from (hereinafter referred to as re-export CCM/CPC) shall record the information specified in paragraph 7 in the appropriate section of the [ePBRC] on each occasion they re-exports PBF.

9. Validation of ePBCD and [ePBRC]

(1) The ePBCD and [ePBRC] must be validated by an authorized government official, or other authorized individual or institution, of the flag CCM/CPC, trap CCM/CPC, farm CCM/CPC, export CCM/CPC or re-export CCM/CPC that caught, harvested [(from cages)], exported or re-exported PBF.

(2) The ePBCD shall be validated only when:

- a. All the information provided in the ePBCD has been established to be accurate;
- b. The accumulated catch attributed to a CCM/CPC is within that CCM/CPC's catch quota or catch limit for the relevant management year; and,
- c. The PBF in the ePBCD was caught, transshipped, harvested [(from cages)] or sold in compliance with other applicable provisions of CMMs/Resolutions.

(3) The [ePBRC] shall be validated only when:

- a. All the information provided in the [ePBRC] has been established to be accurate;
- b. All the ePBCD numbers relating to the previously imported PBF products are included.
- c. Each related ePBCD had been validated and accepted for the importation of the products declared on the [ePBRC]; and,
- d. The products to be re-exported are wholly or partly the same product on the validated ePBCD(s).

Part IV: Tag

10. Notwithstanding paragraph 9, validation of ePBCD shall not be required when PBF is tagged by the flag CCM/CPC or trap CCM/CPC in accordance with the following criteria:

(1) All PBF in the ePBCD concerned are individually tagged;

(2) The minimum information associated with the tag includes:

- a. Identifying information on the vessel or trap that caught PBF;
- b. The date of catch or landing;
- c. The area of catch of the PBF;
- d. The type of product and weight of the PBF;
- e. Information on the exporter and importer (where applicable);
- f. The point of export (where applicable).

(3) Information on tagged fish is compiled by the responsible CCM/CPC and made available to the Secretariat upon its request.

11. CCMs/CPCs may require their vessels or traps to affix a tag to each PBF preferably at the timing of kill, but no later than the time of landing. The tags shall have unique country-specific numbers and be tamper proof. The tag numbers shall be linked to the ePBCD.
12. Such tags shall only be used when the accumulated catch attributed to a CCM/CPC is within that CCM/CPC's catch quota or catch limit for the relevant management year, including where appropriate individual quotas allocated to vessels or traps.

Part V: Verification for PBF trade

13. Each CCM/CPC shall ensure that its competent authorities, or other authorized individuals or institutions take steps to identify each consignment of PBF imported into or exported or re-exported from its territory and request and examine the validated ePBCD(s) and [ePBRC(s)] as well as other related documentation for each consignment of PBF when it is exported, imported or re-exported. These authorities, individuals or institutions may also examine the contents of the consignment to verify the information contained in the ePBCD and in related documents and, where necessary, shall carry out verifications with the importer or exporter concerned.
14. If as a result of examinations or verifications carried out pursuant to paragraph 13, questions arise regarding the information contained in an ePBCD or [ePBRC], the final importing CCM/CPC and the CCM/CPC whose competent authorities validated the ePBCD(s) or [ePBRC(s)] shall cooperate to address such questions.
15. If a CCM/CPC involved in export, import or re-export of PBF identifies a consignment in violation of paragraph 4, it shall notify the findings to the relevant CCM/CPC. The relevant CCM/CPC shall take necessary measures, including investigations, and share the results with the informing CCM/CPC.
16. Pending the examinations or verifications under paragraph 13 to confirm compliance of PBF consignment with the requirements in this CMM/Resolution and any other relevant CCMs/Resolutions, the CCMs/CPCs shall not grant its release for export, import and re-export.
17. Where a CCM/CPC, as a result of examinations or verifications under paragraph 13 and in cooperation with the validating authorities concerned, determines that an ePBCD or [ePBRC] is invalid, import, export and re-export of the PBF consignment shall be prohibited.

Part VI: Communication

18. Each CCM/CPC shall notify the Secretariat of the name, title, organization and address of the government officials or other authorized individuals specified in paragraph 9(1), and the name and address of the other authorized institutions specified in the same paragraph and, where appropriate, the name and title of the officials who are individually empowered within those institutions. This notification shall indicate the date at which the authorization comes into force. Any changes to the content of the notification under this paragraph shall be promptly notified to the Secretariat.
19. Each CCM/CPC shall notify the Secretariat of the name, address and contact details of the organization that will serve as the point of contact for questions related to ePBCDs or [ePBRCs] concerning the CCM/CPC. Any changes to the content of the notification under this paragraph shall be promptly notified to the Secretariat.

20. All CCMs/CPCs concerned shall, as soon as possible for the ePBCD system implementation, submit to the Secretariat the data necessary to ensure the registration of their users in the ePBCD system. Access to and use of the system cannot be ensured for those who fail to provide and maintain the data required by the ePBCD system.
21. The Commission shall request the non-CCMs/non-CPCs that are involved in export, import or re-export of PBF to cooperate with the implementation of the program and to provide to the Commission data obtained from such implementation.
22. Access to the ePBCD system shall be granted to non-CCMs/non-CPCs to facilitate trade of PBF. Until such time as the functionality is developed that allows non-CCMs/non-CPCs access to the system, this shall be accomplished through completion by the non-CCMs/non-CPCs of paper PBCD and [PBRC] consistent with the terms of paragraph 5(4) and submission to the Secretariat for entry into the ePBCD system. The Secretariat shall communicate without delay to those non-CCMs/non-CPCs known to import, export or re-export PBF to make them aware of the ePBCD system and the applicable provisions of this CMM/Resolution.

Part VII: Data Sharing and Confidentiality

23. The information notified under paragraph 18 shall be handled as non-public domain data and the Secretariat shall facilitate access to this information by authorized CCM/CPC users through the secure pages of the Commission website.
24. The Secretariat shall facilitate access to the information notified under paragraph 19 through the public pages of the Commission website.
25. All the data in ePBCD shall be processed in accordance with the Rules of Procedures for the Protection, Access to, and Dissemination of Data Compiled by the Commission/Resolution on Confidentiality.

Part VIII: Exceptional Arrangements

26. Paper PBCDs and [PBRCs], whose formats are attached as Annex A and B, respectively, or printed ePBCDs and [ePBRCs] may be used in accordance with paragraph 5(4), if any of the following circumstances apply:
 - (1) The landing or caging of PBF by one vessel or one trap at a time is less than [1] metric ton, or the PBF is tagged in accordance with Part IV. In this case, the logbook or the sales note may be used as a temporary PBCD. Such paper PBCDs, printed ePBCDs or temporary PBCDs shall be converted to ePBCDs within a period of [] days or prior to the export, whichever is first;
 - (2) PBF is caught prior to the full implementation of the ePBCD system as specified in paragraph 5(3);
 - (3) Technical difficulties arise with the ePBCD system that preclude a CCM/CPC from using the system. In this case, the CCM/CPC shall follow the procedures set forth in Annex E. Delays by CCMs/CPCs in taking necessary actions, such as providing the data necessary to ensure the registration of users in the ePBCD system or other avoidable situations, do not constitute technical difficulties in this subparagraph.

- (4) In the case of trade between CCMs/CPCs and non-CCMs/non-CPCs, where access to the ePBCD system by non-CCMs/non-CPCs through the Secretariat in accordance with paragraph 22 is not possible or is not timely enough to ensure that trade is not unduly delayed or disrupted.
27. When a paper PBCD or [PBRC], or a printed ePBCD or [ePBRC] is used in accordance with paragraphs 5(4) and 26, importing CCMs/CPCs, solely on the basis of the use of such paper or printed PBCD and [PBRC], shall not be cited as a reason to delay or deny import of PBF.
28. Where requested by a CCM/CPC, the Secretariat shall facilitate the conversion of paper PBCDs or [PBRCs], or printed ePBCDs or [ePBRCs] to ePBCDs or [ePBRCs].
29. New text to be proposed by Korea

Annex A: Format of Paper PBCD

Pacific Bluefin Tuna Catch Documentation (PBCD)				No. 	
1. INFORMATION ON CATCH					
Vessel/Trap Information			For Group Operation		
Name of Catching Vessel/Trap

Annex C: Information to be Recorded in ePBCD¹

- (1) Information on catch
 - a. Vessel/Trap Information
 - Name of Catching Vessel/Trap²
 - Flag/Trap CCM/CPC
 - Registration Number (VID/WCPFC Identification Number (WIN)/IATTC number/IMO number/domestic registration number)
 - b. Catch Description
 - Date
 - Gear
 - Area (WCPFC Convention Area/IATTC Convention Area/Overlap Area)
 - Total Weight (kg)
 - c. Validation
 - Name of Authority, Title, Date, Signature and Seal³
- (2) Information on transshipment
 - a. Carrier Vessel Information
 - Name of Carrier Vessel²
 - Flag CCM/CPC
 - Registration Number (VID/WCPFC Identification Number (WIN)/IATTC number/IMO number/domestic registration number)
 - b. Transshipment Description
 - Date
 - Area (WCPFC Convention Area/IATTC Convention Area/Overlap Area)/Name of Port
 - Total Weight Transshipped (kg)
 - c. Validation
 - Name of Authority, Title, Date, Signature and Seal³
- (3) Information on harvest [(from cages)]
 - a. Farm Information
 - Name⁴
 - Farm CCM/CPC
 - Registration Number (domestic registration number)
 - b. Harvest Description
 - Date
 - Total Weight Harvested (kg)

¹ Each ePBCD shall have a unique document number.

² The requirements for name of catching vessel/trap or carrier vessel may be fulfilled by a registration number when the vessel/trap is not subject to the WCPFC Record of Fishing Vessels nor in the IATTC Regional Vessel Register.

³ In the ePBCD system, the requirements for signature and seal are not applicable and are replaced by electronic validation.

⁴ The requirements for name may be fulfilled by a registration number.

- Total Number of Fish Harvested
 - c. Validation
 - Name of Authority, Title, Date, Signature and Seal³
- (4) Information on first sale after catch
- a. Seller/Exporter Information
 - Name
 - Address
 - b. Buyer/Importer Information
 - Name
 - Address
 - c. Product Description
 - Product Type
 - Weight (kg)
- (5) Information on [export] and import⁵
- a. Product Description
 - Product Type
 - Weight (kg)
 - b. Export Information
 - Export CCM/CPC
 - Point of Export
 - Name of Exporter
 - Address of Exporter
 - c. Destination Information
 - Destination
 - Name of Importer
 - Address of Importer
 - d. Validation
 - Name of Authority, Title, Date, Signature and Seal³
 - e. Import Information
 - Port of Import
 - Name of Importer
 - Address of Importer
 - f. Importer Certification
 - Date
 - Signature

⁵ Information in items e and f shall be completed as soon as practicable after it becomes available, and in any case within 7 days of import and no later than the time of re-export.

Annex D: Information to be Recorded in [ePBRC]⁶

(1) Information on imported PBF, including information on related ePBCD(s)

a. Description of Imported Product

- Product Type
- Weight (kg)
- Flag CCM/CPC
- Date of Import
- PBCD No.

(2) Information on re-export and import⁷

a. Re-export Information

- Re-export CCM/CPC
- Point of Re-export
- Name of Re-exporter
- Address of Re-exporter

b. Destination Information

- Destination
- Name of Importer
- Address of Importer

c. Description of Product Being Re-exported

- Product Type
- Weight (kg)
- Corresponding PBCD No.

d. Validation

- Name of Authority, Title, Date, Signature and Seal⁸

e. Import Information

- Port of Import
- Name of Importer
- Address of Importer

f. Importer Certification

- Date
- Signature

⁶ Each ePBRC shall have a unique document number.

⁷ Information in items e and f shall be completed as soon as practicable after it becomes available, and in any case within 7 days of import and no later than the time of re-export.

⁸ In the ePBCD system, the requirements for signature and seal are not applicable and are replaced by electronic validation.

Annex E: Procedures for Technical Difficulties with the ePBCD system

1. Notwithstanding paragraph 8 of this CMM/Resolution, where technical difficulties with the ePBCD system prevent compliance with the requirements set out in that paragraph, a CCM/CPC may apply the procedures set out in this Annex in accordance with paragraph 26(3) of this CMM/Resolution.
2. The Secretariat shall prepare a set of document numbers dedicated to paper PBCDs and PBRCs prior to each calendar year and shall provide a portion of them to a CCM/CPC upon request. CCMs/CPCs may issue those numbers to their users and potential users of the ePBCD system either proactively, before they are needed, or upon request. Those numbers shall be recorded on the paper PBCDs and PBRCs. Each CCM/CPC shall ensure that each number is issued and used only once.
3. When a technical difficulty occurs, the CCM/CPC encountering it shall immediately notify the Secretariat that it is unable to use the ePBCD system, including an explanation of the technical difficulty encountered, before using paper PBCDs and PBRCs or printed ePBCDs and ePBRCs.
4. The Secretariat shall notify other CCMs/CPCs that paper PBCDs and PBRCs or printed ePBCDs and ePBRCs may be temporarily used by the CCM/CPC encountering the technical difficulty by posting the information provided in paragraph 3 of this Annex on the public page of the Commission website without delay.
5. For PBF that is not exported, catch and transshipment information may be recorded in the ePBCD system as soon as practicable following the resolution of the technical difficulty.
6. For PBF that is to be exported or re-exported, paper PBCDs and PBRCs or printed ePBCDs and ePBRCs shall be completed and validated in accordance with the applicable requirements, no later than the time of export or re-export, consistent with paragraphs 4 and 5(4) of this CMM/Resolution.
7. In the case of technical difficulties encountered by importing CCMs/CPCs, they may request the export CCM/CPC or re-export CCM/CPC concerned to issue a paper PBCD or PBRC, or a printed ePBCD or ePBRC, to support import.
8. When the technical difficulty is resolved, the CCM/CPC shall immediately notify the Secretariat. The Secretariat shall update the information posted in accordance with paragraph 4 of this Annex based on the notification from the CCM/CPC.
9. As soon as practicable after the resolution of the technical difficulty, CCMs/CPCs responsible for the recording and validation of the relevant information shall ensure that such information, namely information contained in paper PBCDs and PBRCs and information recorded in printed ePBCDs and ePBRCs that has not yet been entered into the ePBCD system, is recorded in the ePBCD or ePBRC, as applicable, with the assistance of the Secretariat where requested.
10. Paper PBCDs and PBRCs or printed ePBCDs and ePBRCs may continue to be used until such time as the technical difficulty is resolved and they are converted into ePBCDs and ePBRCs in accordance with paragraph 9 of this Annex.

Annex F: Artificial Fry

1. This Annex establishes interim measures applicable to PBF derived from artificial fry, pending further decisions by the Commission regarding the treatment of artificial fry.
2. PBF derived from artificial fry shall not be subject to the requirements of this CMM/Resolution, except as otherwise provided in this Annex.
3. Export CCMs/CPCs and re-export CCMs/CPCs shall ensure that information relating to the export of PBF derived from artificial fry is recorded in an ePBCD and that information relating to the re-export of such PBF is recorded in an ePBRC, no later than the time of export or re-export.
4. For the purpose of paragraph 3 of this Annex, the ePBCD for PBF derived from artificial fry shall contain only the information specified in paragraph 5 of Annex C.
5. Export CCMs/CPCs and re-export CCMs/CPCs shall ensure that ePBCDs and ePBRCs for PBF derived from artificial fry are clearly identified as such within the ePBCD system.
6. In the event of technical difficulties with the ePBCD system, the procedures set out in Annex E shall apply *mutatis mutandis* to PBF derived from artificial fry.
7. Where consignments contain both PBF derived from artificial fry and PBF not derived from artificial fry, export CCMs/CPCs and re-export CCMs/CPCs shall ensure that information relating to such products is clearly identified and recorded separately in the corresponding ePBCDs or ePBRCs, as appropriate, in accordance with this Annex and this CMM/Resolution.
