Each delegation that applies for a Japanese visa is kindly requested to send (i) the information listed in **Attachment 1** and (ii) a copy of your passport to the meeting coordinator, Ms. Yayoi OTANI (yayoi_otani420@maff.go.jp) and the Japanese meeting arrangement team address (kokusai_kikaku@maff.go.jp), via e-mail by 12 June 2026. Climate

Nagasaki experiences a hot, humid, and rainy summer climate in July, with average temperatures ranging from approximately 25°C (77°F) – 30°C (86°F). The month coincides with the late rainy season, and frequent rainfall is expected, with monthly precipitation exceeding 300 mm and many rainy days, especially in early to mid-July. Relative humidity is high, typically around 80–85%, contributing to warm and muggy conditions. Participants are advised to prepare for heat, high humidity, and intermittent heavy rain, and to bring light clothing, sun protection, and rain gear.

Funding for Developing Countries and Territories

According to the decision made by WCPFC9, funding will be provided for travel to the NC22 meeting, including the JWG-11 meeting (8–11 July 2026), for six small island developing States. Priority will be given first to Members of the Northern Committee (the Cook Islands, Fiji, and Vanuatu), followed by RMI, FSM, and Palau.

Formal nominations for participants requesting this support must be submitted to the Secretariat (Aaron.Nighswander@wcpfc.int) by 1 June 2026. Nominations submitted by eligible developing countries and participating territories must be signed by the WCPFC Official Contact.

The latest travel arrangements for nominees should be finalized two weeks before commencing travel.
