Dear All,

Further to Circular 2026/48, I am pleased to announce that the meeting dates of the 2nd Bigeye Tuna Management Workshop (BMW02) will take place in person at **Hyatt Regency Waikiki Resort and Spa** in Honolulu, Hawaii on **1-2 October 2026**, with hosting arrangements to be covered by the United States. I confirm, again, that funding is available in the Commission's 2026 budget, supplemented by voluntary contributions from the United States, to support the participation of developing States members in the workshop, noting that participants can also join online.

A detailed Meeting Notice, Provisional Agenda, relevant meeting documents, connection details, and registration information will be distributed by the Secretariat in due course. For any questions, please contact the Science Manager, Dr. SungKwon Soh ([sungkwon.soh@wcpfc.int](mailto:sungskwon.soh@wcpfc.int)).

Yours sincerely,
