ABOUT LĒ‘AHI BREWING COMPANY

Lē'ahi Brewing Company grew from a community effort to restore Kuilei Cliffs—on the slope of Diamond Head, also known as Lē'ahi—and a vision for globally inspired beers made with Hawai'i-grown ingredients while reimagining how a brewery can give back to the place it calls home. Through Mahi'ai Market, the brewery partners with local farmers to strengthen Hawai'i's agricultural economy. Learn more at leahibrewingcompany.com
